[Madison, WI] — Following Governor Evers' comments on the April 7th Election this evening, Senate Majority Leader Scott Fitzgerald released the following statement:

“Not once has the governor suggested moving the election date. In fact, not a single Democratic legislator has even introduced a bill that would move the election date. For Democrats to suggest now that their hands were somehow tied is pure cowardice. I continue to support holding the election on April 7th — our Republic must continue to function.”
