Candidate for the 32nd Senate District, Dan Kapanke, released the following statement after being endorsed by the Wisconsin Farm Bureau Federation.

“I am honored to have the endorsement of the Wisconsin Farm Bureau Federation. Wisconsin’s agricultural industry is the best in the country and the great men and women who keep it running are the backbone of this great state. Thank you for trusting me to work on your behalf.”

As the largest general farm organization in the state, Wisconsin Farm Bureau Federation serves as a voice for farmers. Their mission is to lead the farm and rural community through legislative representation, education, public relations and leadership development.”
