Madison, WI — Senator Chris Kapenga (R-Delafield) released the following statement today after being named Senate President for the 2021-22 legislative session:

“I want to thank each of my colleagues for choosing me to be a part of the leadership team for the Republican Senate Caucus.

It speaks volumes that we flipped two seats from Democrat to Republican in the state Senate and now hold a 21-12 majority.

The people of Wisconsin see that our reforms are working. We will continue to push for limited government, lower taxes, and deliver meaningful results for the people of Wisconsin.

I’m looking forward to getting to work as the new session begins in January.”
