MADISON, Wis. – State Senator Tom Tiffany (R-Minocqua) released the following statement after Governor Evers delivered his State of the State address:

“My hope for the remaining legislative session is that we can deliver meaningful relief for taxpayers. Legislative Republicans have made sound fiscal decisions, and we doubled our state’s rainy day fund in this past biennial budget. I support returning more money back to my constituents, and I look forward to working with my colleagues to pass additional tax relief before the end of the legislative session.”
