“Mary Jo and I are praying for all those impacted by today’s shooting in Milwaukee, including the victims and their families. May God’s peace ease your suffering at this time.

My profound thanks go to all the law enforcement and first responders who arrived on scene.

The coordination between multi-jurisdictional departments is evident in the response and should be commended and admired by those throughout the community.

MolsonCoors and Miller Brewing are not just Milwaukee companies, they are woven into the fabric of Wisconsin. Please remember not just those that lost their lives and loved ones today, but also the thousands of employees who are impacted by today’s events.

Today and coming days should be focused on the victims and healing while we learn the facts of today’s events.”
