Kenosha – Hello, neighbor. The news is constantly changing these days, and it can be hard to keep up. In this update, you will find a review of recent news items. This week, the state Supreme Court heard arguments for and against the Safer at Home order; Governor Evers unveiled new plans for expanded Covid testing; state tax collection numbers caused some concern; and the Department of Transportation announced some temporary changes to driver licensing. These are difficult times for all of us, but we will get through it together. I hope this is helpful. Stay safe and healthy.
