Milwaukee, WI (April 24th, 2020) I congratulate Supervisor Marcelia Nicholson on her election as Chairwoman of the Milwaukee County Board of Supervisors. Supervisor Nicholson brings new insights and leadership to the County Board at a time when it is facing some of its most critical and urgent challenges. With her passion for our community and love for the people, Supervisor Nicholson will work hard to continue moving Milwaukee County forward and restore hope in all of us who put our faith and trust in government. Supervisor Nicholson has shown in all her roles that she is a champion for our children's future and a fighter for workers' rights. Supervisor Nicholson's ability to work with her colleagues on the County Board and with people across Milwaukee County and Wisconsin will ensure that Milwaukee remains the economic engine in our state. I commend her for stepping forward into this new role and encourage her to bring to it the same energy, vision and leadership that have served her so well throughout her career. The future in Milwaukee County is looking brighter with a new county executive and a new County Board led by Chairwoman Marcelia Nicholson.
