Madison...State Representative Robin Vos (R-Rochester) released the following statement on the official beginning of the United States-Mexico-Canada Trade Agreement (USMCA).

“Wisconsin welcomes this new chapter of North American trade.

“Trade with Canada and Mexico is vital to our state economy and this modern, 21st Century agreement will have a positive impact on manufacturing and agriculture in the Badger State.

“It’s taken years of hard work by our elected officials and the Trump administration to get us to this important day. It’s an exciting and important step forward to ensure a more prosperous future in Wisconsin and the United States.”
