Minocqua, Wis. — U.S. Congressional Candidate Tom Tiffany launched his first radio ad Monday morning. The ad, which will air districtwide, is narrated by former Governor Scott Walker who touts Tiffany's proven conservative record as reason why voters can count on him to stand with President Trump and drain the swamp.

A transcript of [the ad](#) is below:

"Hi, this is Governor Scott Walker. Radical liberals are trying to undo the 2016 election, just like they tried here in the recall.

"President Trump needs allies in Washington. And one of my strongest is running for Congress in the special election February 18th — Tom Tiffany.

"Tom grew up on a dairy farm in rural Wisconsin. He's a citizen-legislator and a small businessman who ran Wilderness Cruises on the Willow Flowage.

"Together we balanced the state budget, defunded Planned Parenthood, cut taxes and drained the swamp in Madison.

"Tom Tiffany's character and record are unwavering — pro-life, pro-gun and pro-Wisconsin worker. The kind of person you want on your side when the going tough.

"This is Governor Scott Walker. On February 18th, join me in supporting the only consistent, proven conservative we can trust to defend our values and our

President.”
