(Fond du Lac, WI) – Today, Congressman Grothman announced his first coalition: Women for Glenn. This coalition highlights women, from CEOs, to stay at home moms, to elected leaders in our communities who have pledged their support for him and his work on their behalf in Congress.

“I am honored to have the support from some of the most hardworking, honorable women throughout the 6th Congressional District. It is important that we come together to support the women who make up integral parts of our workforce, our families and serve as advocates for women today,” Grothman said.

“Glenn Grothman cares about families and is fighting to lower health care costs. He has a bipartisan plan to lower the cost of insulin products by increasing competition in the marketplace. Glenn continues to listen and deliver for working families in Wisconsin,” State Senator Alberta Darling said.

Women for Glenn includes over one hundred women throughout the 11 counties within the 6th Congressional District who are publicly endorsing him. State Senator Alberta Darling will serve as the Chair for the coalition and former State Senator Leah Vukmir will serve as an Honorary Chair. More information on the coalition can be found [here](#).
