(Fond du Lac, WI) – Congressman Glenn Grothman declared victory last night for his reelection to Congress in Wisconsin’s 6th District. Grothman released the following statement regarding the election victory:

“I am once again honored that the great people of the 6th District continue to place their trust in me as their voice in Congress. From the beginning, we’ve run a positive campaign focused on protecting our values and making sure the federal government is working for the people of our district.

There is a lot for Congress to work on over the next two years and I am honored to continue to be an accessible, conservative, and independent voice for the great people of the 6th District. I want to encourage all my constituents to continue to reach out to me and my office so we can hear the issues that matter most to them.”
