JANESVILLE, WISCONSIN—Congressman Bryan Steil (WI-01), who represents Kenosha County in the U.S. House of Representatives, released a statement following the second night of violence in Kenosha.

“The violence and destruction we witnessed the past two nights in Kenosha needs to be stopped. Public safety must be assured. If the Mayor and Governor don’t believe they have sufficient resources to do so, they need to request federal assistance immediately. I am prepared to support their request.”
