The Clerk's Office worked with Public Health to develop a safe voting plan for the fall elections. Part of that plan is to offer absentee voting outdoors. Voters are encouraged to check the Clerk's Office website or call the Clerk's Office before heading to an [absentee voting site](#) in inclement weather.

Voters may use their own blue or black ballpoint pen to mark their ballot. If planning to use their own pen, the voter should wave their pen at the absentee ballot clerk approaching their vehicle.

Absentee clerks will be wearing facemasks and high visibility vests. They will disinfect pens, clipboards, and envelope sealers after each use. The absentee clerks will be able to check [voter ID](#) through the voter's vehicle window. If the voter needs to register to vote, the absentee clerk will be able to view the voter's [proof of address](#) through the vehicle window.

The Clerk's Office reminds voters that the August Primary is the election where you must pick a political party and vote for only candidates within that party.

Voters must present an acceptable form of photo ID before receiving an absentee ballot. The following types of ID are accepted under state law:

- Wisconsin driver license expiring after 11/06/2018 (date of the last November election)
- Wisconsin photo ID issued by the Department of Transportation expiring after 11/06/2018
- U.S. passport (book or card) expiring after 11/06/2018
- Military ID card expiring after 11/06/2018
- Certificate of Naturalization issued within the last two years
- Unexpired Wisconsin driver license or state ID card receipt
- ID card issued by a federally recognized Indian tribe in Wisconsin
- ID issued by a Wisconsin accredited university or college that contains an issuance date, a student signature, and an expiration date within two years of issuance; card must be accompanied by proof of current enrollment
- Unexpired Veterans Affairs ID card

Out-of-state driver licenses, out-of-state ID cards, faculty ID cards, and high school

ID cards are not acceptable forms of voter identification under Wisconsin law.

**The address on your ID does not matter when proving identity.** The name on the ID, however, must reasonably conform to the name on the poll book.

When voting, it doesn't matter if the ID complies with the federal REAL ID Act of 2005. The federal REAL ID Act has nothing to do with elections.

The Dane County Voter ID Coalition is available to help voters apply for a free Wisconsin ID card. They can even set up a free cab ride to the DMV. The Dane County Voter ID Coalition hotline is (608) 285-2141.
