HAGER CITY, WI – Over the weekend, Derrick Van Orden joined Breitbart News Saturday and called out Ron Kind's connections to Nancy Pelosi, his votes to give illegal immigrants \$1200 stimulus checks, and his lies to law enforcement in the 3rd District.

Check out the interview [here](#) and take a look at some excerpts below:

...Derrick Van Orden, who hopes to defeat Rep. Ron Kind (R-WI) in Wisconsin's third district, slammed Kind for voting twice to give stimulus payments to illegal immigrants.

Van Orden also said that the Wisconsin third district serves as a pivotal district for control of the House and the 2020 presidential election.

"If we win the third district of the state of Wisconsin, Donald Trump wins Wisconsin, and Trump wins reelection. If we win the third district, Ron Kind is kicked out of his seat, which is going to happen," Van Orden said.

Van Orden added that Kind is "a huge peg in her power base that we're going to knock out."

Van Orden added that 13 sheriffs have endorsed his campaign over Kind, who cosponsored the George Floyd Justice in Policing Act. The bill would eliminate law enforcement's qualified immunity legal protection, opening them to liability while protecting Americans.

“That’s the strongest coalition of law enforcement officers in the nation because they know that Ron Kind has been lying to them for years,” he said.

Van Orden slammed Kind for backing Pelosi’s withholding of coronavirus aid to benefit the Democrat Party over the American people.

He said, “It’s unacceptable that these people are trying to put political expediency of the benefit of Nancy Pelosi’s Democrat party above the public safety of the people in Wisconsin. It is unacceptable, and that is why we are beating him....”
