HAGER CITY, WI – Derrick Van Orden was endorsed by the Susan B. Anthony List yesterday. They highlighted Derrick's experience, faith, and courage in their endorsement.

See the Susan B. Anthony List's endorsement below:

Derrick Van Orden (WI-03): *Derrick is a man of deep faith and courage who served our nation valiantly in the U.S. Navy for 26 years. Having put his own life on the line every day for his fellow Americans, Derrick understands the precious value of every human life – especially the unborn. Unlike pro-abortion incumbent Ron Kind, who is radically out of step with Wisconsinites, Derrick will work to protect the defenseless.*

Derrick Van Orden released the following statement following the endorsement:

I am humbled to be recognized for my commitment to life by the Susan B. Anthony List. Every life is a precious gift that must be cherished. During my combat tours as a Navy Corpsman, I worked everyday to protect the lives of my teammates. I'm committed to fighting for life, and will stand up for the defenseless as the representative of Wisconsin's 3rd District.
