HAGER CITY, WI – Today, Congressional Candidate Derrick Van Orden is announcing his endorsement from Wisconsin Right to Life.

Derrick has been a staunch advocate for the pro-life movement, and is proud to have his commitment recognized by Wisconsin Right to Life.

Derrick released the following statement:

“I am and always have been 100% pro-life. Wisconsin Right to Life has been a leading voice in the fight to defend life, and I’m humbled to be recognized by them. When I am representing Wisconsin’s 3rd district, my constituents will know they have a strong voice for life in Congress.”

Wisconsin Right to Life specifically cited Derrick’s *“vocal support of legislative measures that protect the sanctity of life and opposition to measures that would demean human life.”*
