HAGER CITY, WI – Derrick Van Orden has made it clear that Ron Kind is facing a significant challenge in November.

In a district won by President Trump in 2016, Derrick's experience as a Navy SEAL and a small business owner have set him apart from a career politician like Kind.

And after raising more than \$500,000 in Q2, more than twice as much as Kind's campaign, Derrick is strongly positioned to unseat Kind in November.

Derrick Van Orden released the following statement:

*"I'm proud to represent the voices of so many people here in our Wisconsin 3rd District who have made it clear they want real leadership now.*

*Ron Kind has been serving himself and special interests for decades and he has forgotten about the very people he is supposed to be representing.*

*His time has passed. It is time for us to take back our District and our Country."*
