HAGER CITY, WI – Following President Trump’s visit to Kenosha today, Derrick Van Orden continues to emphasize the importance of strong leadership in times of national unrest.

Derrick released the following statement regarding the President’s visit to Wisconsin;

“The right to peacefully protest is what I fought for in the SEAL Teams.

What we have seen in Kenosha and elsewhere across the country cannot be deemed ‘peaceful.’ Violence, rioting, and looting are criminal acts, and I condemn them.

I commend the President for taking action to activate the National Guard when Gov. Evers failed to do so. President Trump displayed strong leadership by visiting Kenosha today and continues to fight to protect the people of our nation when Democrat politicians fail to do so.”
