HAGER CITY, WI – This afternoon, Derrick Van Orden will introduce South Dakota Governor Kristi Noem at an event in Sparta.

Governor Noem has established herself as a national Republican leader and a strong voice for freedom, campaigning across the country in key states like Wisconsin.

Prior to his introduction of Governor Noem, Derrick released the following statement:

It is a privilege to introduce Governor Kristi Noem this afternoon.

It is so fitting that one of the greatest fighters for personal freedoms, Governor Kristi Noem of South Dakota, would honor us with a visit to today to Sparta.

She boldly stands for the people of South Dakota and she stands with us Wisconsinites and all Americans in her support of President Trump.

The momentum we are building here in Western Wisconsin to elect and re-elect Republicans across our country is unprecedented in our history and continues to build as we look forward to President Donald Trump's visit to La Crosse this Saturday.

The Governor and the President know that the path to the White House runs through Wisconsin's 3rd District, and so do we. That is why we are all fighting together for our future.
