GREEN BAY, WI – Eric Wimberger announces his candidacy for Senate District 30.

Wimberger says his focus will be on job growth, clean water initiatives and re-establishing economic stability in the 30th

“COVID-19 has brought life as we know it to a stand-still. Businesses are struggling to stay afloat leaving many unemployed,” says Wimberger, adding, “There are difficult decisions for my family’s small business in Lakewood. As a business owner myself, I understand the struggle we are all feeling. That’s why I will do everything within my ability as your Senator to get our area back up and running. We can do it safely and care for those who need it.”

Wimberger, born and raised in the Green Bay area, moved home after serving as a Captain in the United States Marine Corps where he worked as a Judge Advocate. From truck driver, to law school, to United States Marine Corps and then his own law practice, Eric is committed to making a positive impact in the community he serves. The 30th Senate District includes southern Marinette County, eastern Oconto County, parts of northeast Brown County including a portion of the City of Green Bay.
