GREEN BAY, WI – Eric Wimberger thanks his community for their confidence in representing them at the Capitol. Wimberger says his focus will be on job growth, community safety, clean water initiatives, and Covid management.

“I’m honored to represent my community at the State Senate. Thank you for the support and confidence to do good things for us. I’ll do my best to do what’s right and solve problems facing us. For those who didn’t vote for me, I hope to gain your trust that I will understand your position and be open to your opinion. Though I may not always have the truth, those with the truth will always have me.”

Wimberger, born and raised in the Green Bay area, came home after serving as a Captain in the United States Marine Corps where he worked as a Judge Advocate. From truck driver, to law school, to United States Marine Corps and then his own law practice, Eric is committed to making a positive impact in the community he serves.

The 30th Senate District includes southern Marinette County, eastern Oconto County, parts of northeast Brown County including a portion of the City of Green Bay.
