

Wisconsin Conservative Digest's Saint Patrick's Day Party

Posted on Friday, Feb 14, 2020

Join us in celebrating St. Patrick's Day at Clifford's Supper Club in Hales Corners. The event is primarily a party with Irish beer and appetizers. We will have our featured singer, Mrs. Southeastern WI Cheryl McCrary and her band playing music while guests socialize among themselves.

As many of you know, we have an important election on April 7. President Trump, Justice Kelly, Judge Paul Dedinsky and Judge Gabler, among many others are on the ballot.

For this event we will focus on local issues and the Supreme Court race and encouraging people to vote in the upcoming election. Sen. Dave Craig and Rep. Joe Sanfelippo, among other legislators, have introduced a series of tough on crime bills that will be discussed. We will also discuss the MKE Referendum, pro-life issues, and other local issues and elections.
