Madison – Wisconsin Family Action Federal Political Action Committee (WFA PAC) announced today that it has endorsed Tom Tiffany and his candidacy for Wisconsin's 7th Congressional District seat in the US House of Representatives.

Julaine Appling, Director of WFA PAC, commented, “Tom Tiffany has served in our state legislature since 2010, both in the Assembly and currently in the Senate. Over those years, he has taken a number of tough votes involving our core issues of marriage, family, life and religious freedom. His voting record clearly shows he is reliably conservative in every sense of the word.

“To receive WFA PAC’s endorsement, candidates have to meet stringent requirements, which Tom has done. He has shown that he understands that to lead Wisconsin and our nation properly and to ensure our future, our best natural resource—our families—must be strengthened and preserved. He is committed to doing that by working to, among other things, reduce government regulation, improve the business climate in order to encourage job creation, ensure families can make their own health-care choices, protect human life, and strengthen the institution of marriage. These are values WFA PAC shares with Tom and with thousands of Wisconsin citizens in Wisconsin’s 7th Congressional District.

“We are pleased to endorse Tom Tiffany and encourage the citizens of the 7th Congressional District to support him in this special election. We have no doubt they will be well-served by him.”

The primary for this special election will be held on Tuesday, February 18, with the general election on Tuesday, May 12, 2020.
