Heather Weininger, executive director of Wisconsin Right to Life states, “This week, we saw that life is a winning issue. We are grateful to be a part of the work being done across the country and across Wisconsin to change hearts and minds to favor life. Our laws should reflect our values, and we value life. Electing pro-life leaders allows us to partner with government as we work to protect life at all stages.”

Wisconsin Right to Life is thrilled to congratulate the victorious pro-life candidates from this week’s elections. These candidates were endorsed by the Wisconsin Right to Life Political Action Committee and have championed life in their communities and while on the campaign trail.

“We are thankful for their bold advocacy and look forward to working with them as leaders in our federal and state governments,” says Weininger.
