**(MADISON, WI)** — Today the Democratic Party of Wisconsin launched a microsite, [CorruptKelly.com](http://CorruptKelly.com), to inform voters of Wisconsin Supreme Court candidate Dan Kelly's history of siding with corporate special interests over the well-being of Wisconsin families.

"The Supreme Court needs to be just, fair and free of corruption and special interest money," **said Democratic Party of Wisconsin spokesperson Courtney Beyer.** "But Dan Kelly is a partisan pawn whose record of corruption and extremism shows he'll bring an agenda to our state's highest court. On April 7th, Wisconsinites will vote against corruption and for Jill for Justice."

[CorruptKelly.com](http://CorruptKelly.com) is a one-stop shop for voters to learn about Dan Kelly's record of corruption and extremism. The site highlights six cases wherein Dan Kelly had a previous relationship with a plaintiff, refused to recuse himself, and ruled in their favor. Unsurprisingly, Dan Kelly also voted against strengthening anti-corruption rules.
