(WISCONSIN) — Today, Democratic Party of Wisconsin spokesperson Philip Shulman released the following statement in response to the new BLS numbers:

“The bottom line is that hardworking Wisconsin families are continuing to suffer because of Trump’s failed COVID-19 response. Now, when Wisconsinites need the most help, Trump has completely thrown in the towel in addressing the pandemic, and the Badger state is paying the price for his ineffective leadership. We deserve real leaders who are going to fight for us each and every day and take on the tough challenges — that’s clearly not Trump, and it’s why Wisconsinites are so excited to vote for Joe Biden and Kamala Harris by mail, early in person, and on November 3rd.”
