**(WISCONSIN)** — Democratic Party of Wisconsin Chair Ben Wikler released the following statement on news of Justice Ruth Bader Ginsburg's death:

**“Justice Ginsburg was a shining light of American democracy and justice, a relentless champion of equality and the rule of law, and a bold and relentless voice for progress and for the Constitution, whose life's work made America reach further towards its founding ideals. All of us with the privilege of living in the America she built can cherish her legacy by fighting for her ideals and by honoring Ruth Bader Ginsburg's dying wish.”**
