(WISCONSIN) — In response to Karen Pence’s upcoming visit to Waterloo, Wisconsin, Democratic Party of Wisconsin spokesperson Philip Shulman released the following statement:

“As Coronavirus cases approach 200,000 in Wisconsin, Trump is still hell-bent on “terminating” the ACA and jeopardizing health care coverage for millions of Wisconsinites in the midst of this pandemic. Wisconsin voters know health care is on the ballot, and that’s why it’s vital to get out the vote for Joe Biden and Kamala Harris who will fight to make sure everyone can get quality affordable health care.”
