(WISCONSIN) — Today, Democratic Party of Milwaukee Chair Chris Walton released the following statement on Mike Pence being disinvited by Wisconsin Lutheran College to give the commencement address:

“Under Trump and Pence’s failed leadership, our country is in the midst of three national crises: an economic recession, a global pandemic, and a social justice crisis that is disproportionately impacting communities of color. His administration has done nothing but sow hate and division, and there is an absolute void of leadership at a time when Wisconsinites need it the most. As the state works to heal, it’s clear why Pence was disinvited from speaking at Wisconsin Lutheran College’s commencement: the Trump administration is focused on dividing, not uniting.”
