(WISCONSIN) — Ahead of Mike Pompeo’s visit to Wisconsin, Democratic Party of Wisconsin spokesperson Philip Shulman released the following statement:

“What we won’t hear from Mike Pompeo is the truth about the destruction caused by Donald Trump and his administration cozying up to China. Whether it was Trump’s chaotic trade wars that crushed Wisconsin’s manufacturers and farmers, or him taking the word of the Chinese government on the truth of COVID-19 over that of our own intelligence community, Donald Trump and Mike Pompeo have bent the knee to China at every turn. Wisconsinites are the ones paying the price for Trump’s deference to China, and we are going to hold the Trump administration accountable for their failures on November 3rd.”
