(WISCONSIN) — The following is a statement from **Democratic Party of Wisconsin Chair Ben Wikler** on the U.S. Supreme Court's decision on Wisconsin voting rights:

“Despite the efforts of Donald Trump, the Republican Party, and partisan Justices on the Supreme Court, voting remains easy, accessible, and convenient for Wisconsinites, and the Democratic Party of Wisconsin will double down on making sure that every Wisconsin voter knows how to exercise their sacred right to vote in the final eight days of this election.

“The most powerful rebuke to Republican judicial activism is to defeat Trump and elect Joe Biden and Kamala Harris in a landslide.”
