(WISCONSIN) — In response to Donald Trump's visit to Kenosha, Wisconsin, Democratic Party of Wisconsin spokesperson Philip Shulman released the following statement:

"With more than 2,000 Wisconsinites dead from COVID-19 and a cratered economy that has left tens of thousands in the Badger state unemployed, we know Wisconsin is ready to vote Trump out of office on November 3rd. Trump has falsely declared we've "rounded the corner" while his White House admits they are done trying to control the pandemic, and Wisconsinites know they deserve better than his failed leadership. We're ready to end the chaos and suffering, and we're going to do so by electing Joe Biden and Kamala Harris to the White House."
