[Madison, WI] – President Trump delivered his closing remarks to Wisconsin during a Monday night rally in Kenosha. The Republican Party of Wisconsin released the following statement from Chairman Andrew Hitt:

“President Trump has delivered an optimistic vision for America’s future. Hard-working Wisconsin families will benefit from another four years of a Trump economy, a vaccine that will help end the pandemic and get life back to normal, and policies that put workers first. The President is leading the Great American Comeback and deserves four more years.

“The Republican Party of Wisconsin is leaving it all on the field. We’ve knocked on millions of doors and made millions of phone calls this election cycle. The enthusiasm for this President has been off the charts. Our grassroots activists are ready for the final turnout push tomorrow and will do whatever it takes to get President Trump across the finish line.”
