[Madison, WI] – Following Joe Biden's late announcement of his Vice Presidential pick, the Republican Party of Wisconsin issued the following statement from Chairman Andrew Hitt:

"You don't show common sense Wisconsin voters you care about them by nominating a liberal California attorney as your running-mate. Democrats are hoping Harris can distract Americans from the fact that Joe Biden continues to run his campaign from the basement. But her far-left agenda includes her push to defund the [Los Angeles police department](#), and she's just another extremist pushing socialist policies that Wisconsinites can't afford."
