WisGOP Statement in Response to the Death of Bernell Trammell

[Madison, WI] – In response to the death of Bernell Trammell, the Republican Party of Wisconsin issued the following statement from Chairman Andrew Hitt:

“It is tragic to learn of the senseless [murder](#) of Bernell Trammell, and I offer my sincere condolences to his family and friends. Because of Trammell’s well known political activism and the possibility that his murder could be politically motivated, I respectfully request that United States Attorney Matthew Krueger open an investigation into this heinous crime. No American should fear for their personal safety because of where they live or their political affiliation.”
