[Madison, WI] – In response to Vice President Mike Pence's visit to Wisconsin on Friday, the Republican Party of Wisconsin issued the following statement from Executive Director Mark Jefferson:

“Vice President Mike Pence's visit to the birthplace of the Republican Party highlights the Trump Administration's commitment to defeating socialism and supporting continued economic growth. President Trump's USMCA trade deal is a crucial win for Wisconsin workers and farmers and will support thousands of jobs right here in Wisconsin. Wisconsinites need President Trump and Vice President Mike Pence's leadership in the White House to continue getting America back on its feet after the COVID-19 pandemic.”
