[Madison, WI] – In response to Gov. Tony Evers' shelter in place order, the Republican Party of Wisconsin issued the following statement from Chairman Andrew Hitt:

“Gov. Tony Evers has caused mass confusion for people and businesses across Wisconsin. Yesterday, he chose to announce his forthcoming shelter in place order on Twitter, sat silent for nearly 24 hours, and then released a 16-page order that exposes violators to up to 30 days of imprisonment. Wisconsinites are left with questions and the Governor should answer them instead of limiting reporters to one question each.”
