*Gov. Tony Evers failed to give credit to legislative Republicans for keeping Wisconsin strong*

[Madison, WI] – Moments ago, Gov. Tony Evers gave his 2020 State of the State Address. In response to the address, the Republican Party of Wisconsin issued the following statement from Executive Director Mark Jefferson:

“The state of the state in Wisconsin is strong thanks to Republican leadership in the legislature that held the line on Gov. Tony Evers’ liberal wish list. When Gov. Evers broke his promise and proposed more than \$1 billion in tax increases, the legislature delivered a budget that put Wisconsin first. Gov. Evers’ address tonight was full of empty promises. The Governor continues to cede control of his administration to the far left, pushing for bigger government while they conceal open records and suppress rural votes.”
