[Madison, WI] – In response to Gov. Tony Evers' unconstitutional maneuver to postpone the April 7 election, the Republican Party of Wisconsin issued the following statement from Chairman Andrew Hitt:

“It is tragic to see such a reckless disregard for the Constitution from Gov. Tony Evers who just days ago [admitted](#) he did not have the power to change the election. His admission will weigh heavily on the Wisconsin Supreme Court's decision, so we are left to conclude that the Governor is playing politics with something as precious as our democracy. The Republican Party will continue to fight for the rule of law.”
