[Madison, WI] – In response to President Donald J. Trump's visit to Wisconsin, the Republican Party of Wisconsin issued the following statement from Chairman Andrew Hitt:

“President Trump's visit to Wisconsin today highlights how committed the Trump Administration is to military strength and economic investment when we need it the most. The Trump Administration's contract with Marinette Marine represents a significant investment in Wisconsin's economy and creates thousands of jobs in Wisconsin and the Midwest. While Democrats try to diminish what economic investment and jobs mean for Wisconsin families, President Trump is focused on what's best for the American people.”
