[Madison, WI] – Ahead of today’s visit to Mosinee by President Donald J. Trump, the Republican Party of Wisconsin released the following statement from Chairman Andrew Hitt:

“It’s great to welcome President Trump back to Wisconsin yet again. It’s clear from the numerous trips here that the president cares about the hard-working men and women of this state — we thank him for his dedication. Together with Trump Victory, Wisconsin Republicans are building our best grassroots engagement program yet to drive turnout this November. We’re ready for the home stretch.

“A Biden-Harris Administration, or as Senator Harris says a Harris Administration, would be a complete disaster for the people of this state. Liberals are pushing for defunding the police, massive tax hikes and a complete overhaul of your health care. Our Wisconsin values and way of life are on the line this election.”
