[Madison, WI] – The Republican Party of Wisconsin released the following statement from Chairman Andrew Hitt:

“We wish the President well and we continue to pray for all those who have been affected by this pandemic. We look forward to their speedy recovery and to seeing the President in Wisconsin again soon.

“The stakes of this election are high. President Trump has spent the better part of four years fighting on behalf of hard-working Americans. Now Republicans in Wisconsin get to return the favor, and will be working harder than ever to effectively get out the vote for our president.”
