[Madison, WI] – In remarks today in Kenosha, President Donald Trump announced millions of dollars in aid for the City of Kenosha to support law enforcement, safety, and rebuilding businesses damaged in last week’s violent riots. Republican Party of Wisconsin Chairman Andrew Hitt released the following statement:

“President Trump has gone above and beyond to support Kenosha and all of Wisconsin during these troubling times. Hearing how much his support meant to law enforcement and business owners who were victims of the riots is proof positive that he made the right decision to visit Kenosha today. With this new support from the Trump Administration, Kenosha will rebuild stronger than before.”
