[Madison, WI] – Following tonight’s debate between Vice President Mike Pence and Senator Kamala Harris, the Republican Party of Wisconsin released the following statement from Chairman Andrew Hitt:

“Kamala Harris is the most liberal Senator in the United States Senate. She has supported efforts that defunded the police and even compared law enforcement officers to the KKK. She’s pushed for radical policies like the Green New Deal and a health care plan that would strip Americans of their health insurance. When Joe Biden picked Kamala Harris as his running mate, he showed that he’s endorsing the far-Left’s agenda.

“Vice President Pence is a conservative fighter who worked alongside President Trump. They’ve kept Americans safe by destroying ISIS and are leading the Great American Comeback that has already delivered 11.4 million jobs back into the economy. The Trump-Pence Administration is putting hard-working Wisconsin families first.”
