

WisOpinion Poll: Should Wisconsin's April 7 election be postponed?

Posted on Monday, Mar 23, 2020

Citing safety concerns due to the coronavirus pandemic, some elected officials and others have called for the spring election to be postponed, while others have said it should continue to avoid leaving some offices vacant during the crisis.

Postponing the election would require action from the Legislature and governor, or a court order.

Should the April 7 presidential primary and elections for Supreme Court and local offices be postponed? After answering, please explain your choice in the comment section.
