WAUSAU, WI - The House of Representatives [overwhelmingly passed](#) a bi-partisan resolution today condemning QAnon. 17 Republicans voted against the resolution, including Rep. Tom Tiffany (WI-7).

WI-07 Democratic Candidate Tricia Zunker released the following statement in response:

“Conspiracy theories and movements like QAnon dehumanize citizens, incite violence and threaten our democratic institutions. Rep. Tom Tiffany is so extreme that he won’t join his own party leaders in condemning this dangerous conspiracy theory and the violence it promotes. The message is clear: Rep. Tiffany is standing up for QAnon in Congress; he is not standing up for the people of Wisconsin. This is a total failure of leadership.

I unequivocally condemn all conspiracy theories and movements that seek to hurt our citizens, damage property and threaten our democratic institutions.”
