[Concord, WI] – 1848 Project, Inc. has announced today that Alec Zimmerman will join the organization as its new Communications Director. 1848 Project President Rebecca Kleefisch said the following on Zimmerman's hiring:

"Alec will make a great addition to the 1848 Project as we identify and promote effective policy solutions to our state's most pressing challenges. He was a great asset as a communications and operations director in the Lt. Governor's office, particularly as we began our work to end homelessness as we know it. Alec will excel at serving Wisconsin through the 1848 Project."

Zimmerman is from Holmen, WI and a graduate of Marquette University. He has served in roles with Congressman Jim Sensenbrenner, Lt. Governor Rebecca Kleefisch, Wisconsin Senate Majority Leader Scott Fitzgerald, and the Republican Party of Wisconsin.
