[Concord, WI] – 1848 Project, Inc. has announced today that Kristen Nupson will join the organization as its Operations Director. 1848 Project President Rebecca Kleefisch said the following on Nupson’s hiring:

“Kristen is an incredible addition to the 1848 Project as we work to listen to the people of Wisconsin and identify policy solutions for a brighter future. It’s important to me that we build a life-affirming team, and Kristen’s work on pro-life initiatives provides valuable experience as we forward our efforts.”

Before joining 1848 Project, Nupson was the Legislative and PAC Director for Wisconsin Right to Life where she developed legislative strategy for the organization to enact pro-life legislation and managed the organization’s state PAC, federal PAC, and super PAC. Nupson is a graduate of Maranatha Baptist University.
