Madison...Speaker Robin Vos (R-Rochester) released the following statement after Attorney General Josh Kaul held a press conference regarding the election investigation.

“Election integrity should be a bipartisan effort. Sadly Attorney General Kaul has sided with the out-of-state billionaires meddling in our elections and ignored Wisconsin citizens who bring up irregularities.

“In order to restore confidence in our election system, Justice Gableman will continue his investigation. The subpoenas have been issued correctly – a fact backed up by the nonpartisan Legislative Council in a memo requested by Assembly Democrats.”
