**City of Racine** – The Southeast Wisconsin Solar Group Buy (SWSGB) has selected Eagle Point Solar as its solar installer this year. Since 2010, Eagle Point Solar has been committed to the installation and deployment of solar photovoltaic systems throughout the Midwest. As the area's largest installer with more than 1700 installations and 35 MW of power in the field, Eagle Point Solar has solutions for residential, commercial, agricultural, municipal, educational, and utility scale projects. Eagle Point Solar is headquartered in Dubuque, IA, with additional offices in Cedar Rapids, IA, Davenport, IA, Canton, IL, Oshkosh, WI and Milwaukee, WI.
